

DECISION BT 10/2016

Subject: CEN/BTWG 216 'Internal Regulations' – Systematic use of CIB
BT,

- noting the report of the CEN/BTWG 216 'IR' (Annex 1 to BT N 10249) and the discussions related to the systematic use of the Committee Internal Balloting;
- decides that
 - the CIB shall systematically be used for the creation of NWIs as well as for the activation of PWIs into NWIs (2 months ballot).
 - for creating PWIs, a decision can be taken during TC meetings, but, in line with the IR2, the intention needs to be announced on the draft agenda (2 months before the meeting).
