

DECISION BT 17/2012

Subject: Establishing a mechanism for ensuring that CEN's products are regularly reviewed

BT,

- noting the report of the BT Action1.1.3 working group on 'Regular review process' in Annex 1 to BT N 9011;
- asks CCMC to elaborate a proposal for a centralized review process, based on the elements in this report and feedback from the 72nd BT meeting, for final approval by BT.
