

RESOLUTION BT 34/2002

Subject: BT/CAG 131 – Action 2 – Timeframe for development of ENs

BT,

- having considered the proposals for the implementation of the timeframe as presented in document BT N 6678;
- noting the comments made during the ballot on draft BT C71/2002 and the subsequent discussion at the 15th BT/TCMG meeting;
- noting also the comments made during the CEN/CA meeting in Lisbon;
- noting the proposals from the CAG meeting on 2002-10-22;
- confirms the application of the 36 month timeframe and its breakdown described in BT N 6678 to new work items registered after 2002-10-31;
- confirms the application of Resolution BT 44/2001, defining a limited lifetime for prENs, to previously adopted work items;
- asks the CAG to propose further initiatives to the 53rd BT meeting, aimed at improving the delivery of the existing work programme;
- asks its members to cascade the presentation kit on the new timeframe to TC secretariats and national committees as appropriate and to confirm that this has been done to CMC no later than 2003-01-31.

This Resolution is applicable as from : 2002-11-14
