

## DECISION BT 44/2015

**Subject:** CEN-CLC/BTWG 7 report - Project management approach, Ad hoc groups for standardization requests and reduction of lead times

BT

- having noted the report of the CEN-CENELEC/BTWG 7 'Reduction of development time' meeting held on 2015-09-03 in Brussels;
- decides to:
  - set up Ad-hoc Groups on Standardization Requests and to approve their role, composition and way of working as specified in the revised Annex 2 to BT N 10122;
  - approve the proposals to restructure the formal vote and finalization process, as presented in Annex 3 to BT N 10122 rev, for implementation by 2016-07-01;
  - approve the proposals on the drafting process as presented in Annex 3 to BT N 10122 rev, for implementation by 2016-07-01, noting that the default time for submitting the draft to Enquiry is 8 months (with the possibility to prolong it up to 12 months).
- asks CCMC to update BT regularly on the implementation of this decision;
- asks CEN-CENELEC/BTWG 7 to coordinate with CEN-CENELEC/BTWG 127-2 to consider any impact on the NAC activities;
- asks CCMC to coordinate with DIN in order to share experiences and best practices of the editing process.
