

RESOLUTION BT 78/1997

Subject: Optimization - New CEN deliverables - CEN Workshop (WS) and CEN Workshop Agreement (CWA)

BT,

- considering the proposal made by the BT/WG 94 on the Workshop concept in CEN and its associated deliverable (the CEN Workshop Agreement CWA) as documented in annex to BT N 4953,
- noting the outcome of the recent CA meeting on this subject,
- noting the comments made by the BT during the meeting,

requests BT/WG 94 to finalize the practical details of this concept and deliverable for publication in the CEN System Handbook upon approval by BT, and to examine whether and how this can also be used in other areas of CEN's work programme.
