

## **RESOLUTION BT C033/2009**

Subject: Periodic review of CEN ISO Publications

BT

- having considered document BT N 8208;
- confirming its determination to simplify the CEN processes whenever possible;
- considering that, for any CEN ISO Publication, the corresponding ISO Publication is submitted to review in ISO in accordance with the ISO rules;
- considering that an additional review in CEN of the same document is not justified, as explained in document BT N 8208;
- decides that, for CEN ISO Publications, no such additional review will be carried out in CEN.
