

RESOLUTION CA 31/1997

Subject: CEN Workshop Agreements

The CEN/CA,

- noting the Report of BT WG94 entitled "Characteristics of the CEN Workshop Agreement (CWA) and process for its development" (N 1025 Rev);
- agrees that CWAs will initially be produced according to the arrangements proposed by the BT WG, subject to a review after one year;
- agrees that proper attention be given within the Joint Presidents Group to the harmonization of the character and nomenclature of deliverables akin to a CWA, and similarly with ISO and IEC;
- requests the SD to consider the copyright issues raised in document N1025 Rev, agree an interim solution in advance of the Workshop Kick-Off meetings, and report back to the next meeting;
- requests the Secretary-General to monitor progress, and to report back to the CA.
