

DECISION BT 004/2023

Subject: Revision of project under VA – assignment of CEN lead

BT/TCMG, on behalf of BT,

- noting
 - the report on the outcome of CEN/BT TCMG TG on the Vienna Agreement as in Annex 1;
 - that in line with the resolution BT 23/1993 if ISO starts the revision of the EN ISO standard, the project in CEN is registered automatically, i.e.: without the CIB on the NWI;
 - in case of CEN lead, the target dates need to be defined in line with the flexible development process;
- decides that, in case CEN lead is assigned, a CEN/TC shall take a decision on the proposed target dates and the corresponding duration in weeks, which can be taken either by correspondence or at the CEN/TC meeting;
- approves the formatted template for the CEN/TC decision on the proposed target dates and the corresponding duration in case of the assignment of the CEN lead as in Annex 1;
- asks CCMC to update CEN BOSS accordingly including the formatted template.

This decision is applicable as from: 2023-02-22
