

RESOLUTION AG 3/2003

Subject: Internal Regulations: CEN Enquiry – New Timeframe

The CEN/AG, noting CA Recommendation 4/2003:

- endorses the new 3-year timeframe for CEN work items from the approval of the work item up to the ratification of the EN;
- agrees to implement this decision for new work items registered from 1st November 2002;
- and, noting that the CEN Enquiry period has already been reduced to 5 months for work items falling under the Vienna Agreement:
 - confirms that the period allowed for the CEN Enquiry is brought to 5 months for all new work items registered from 1st November 2002;
 - asks CMC to inform CENELEC of this decision in view of the alignment of the Internal Regulations based on a possible common position;
 - approves the updating of clause 11.2.3.3 of the Internal Regulations to read:
"The period allowed for the CEN/CENELEC enquiry shall normally be five months".
