

RESOLUTION BT 1/2005

Subject: Identification of significant technical changes in revised ENs

BT/TCMG, on behalf of BT,

- adopts the guidance to CEN/TCs on identification of significant technical changes in revised ENs given in document BT N 7342, noting that the document must be modified to:
 - refer to the CEN Policy in the Internal Regulations Part 3 (6.1.3) regarding identification of significant technical changes in revised ENs;
 - clearly guide the CEN/TCs on how to implement the policy;
- asks CMC to modify the document as agreed during the meeting (including deletion of last column in the table) and to update the BOSS accordingly.

This resolution is applicable as from : 2005-03-03
