

DECISION BT 2/2014

Subject: Professional Standardization Support

BT/TCMG, on behalf of BT,

- considering
 - the report and recommendations of the working group on BT Action 1.1.3 'To strive for an integrated quality approach' on Professional Standardization Support (PSS) prepared in document BT N 9492;
 - the suggested changes to the profile description of WG convenors in BOSS presented in Annex 3 to BT N 9492;
- stresses
 - the contractual obligation of CEN National Members providing PSS to check each reference draft for compliance with the CEN requirements for the electronic transmission of drafts prior to its transmission to the Secretariat of the CEN/TC, as laid down in the service contracts between CEN and its members;
 - the obligation of WG convenors to use electronic platforms as agreed by BT for the circulation of documents within the WG;
- confirms
 - the recommendations presented in BT N 9492;
 - the suggested changes to the profile description of WG convenors in BOSS presented in Annex 3 to BT N 9492;
- asks CCMC to update the profile in BOSS.
