

DECISION BT 2/2015

Subject: Comments provided when abstaining from voting on BT Cs

BT/TCMG, on behalf of BT,

- considering the recommendation of CEN/BTWG 126 'Internal Regulations' (CEN/BTWG 216/N041);
- extends decision BT 16/2014 to include BT-balloting, thus deciding that there is no longer a need for providing a justification when voting 'abstention'.
