

RESOLUTION 4/2003

Subject: Monitoring of delayed finalisation of approved standards

BT/TCMG, on behalf of BT, decides that the cases of delayed finalisation of approved standards shall be dealt with from now on as follows:

- for EN's for which the voting results were circulated over 6 months in the past, and for which no final document has been received at CMC for publication: a letter is sent to the CEO of the NSB (with a copy to the relevant BT member) responsible for the relevant TC Secretariat, announcing that, if the document is not finalized within 3 months, it will be finalized by CMC in cooperation with the TC Chairman and the corresponding costs will be charged to the responsible NSB;
- for TS's for which the vote was launched over 9 months in the past, and for which no final document has been received at CMC for publication: a letter is sent to the CEO (copy BT member) of the NSB responsible for the relevant TC Secretariat, announcing that, if the document is not finalized within 3 months, the corresponding work item will automatically be deleted.

This Resolution is applicable as from: 2003-03-20
