

RESOLUTION BT 11/1998

Subject: CEN Optimization - CEN/TC Business Planning - Minor changes in the content of TC work programmes (CA 16/1997)

BT, having considered document BT N 5150,

- delegates to the TCs who have an approved Business Plan, decision making on the addition of new work items to their programme of work, within the limits and under the conditions described in the said document, for application as from 1998-07-01,
- agrees to the approach concerning the deletion of non-mandated work items (decision delegated to TC's by Resolution BT 76/1995 Rev.) as described in the said document, for application as from 1998-07-01.
- requests CS to provide the necessary guidance and formatted TC Resolutions for the implementation of these decisions at TC level as a part of the CEN System Handbook, in due time before the above date of application.

requests CS to carefully monitor the splittings of work items decided at TC level, and to report to the 44th BT meeting.
