

RESOLUTION BT 11/2004

Subject: Electronic transmission of drafts, final drafts and final texts to CMC

BT decides that as from the **2004-07-01**, all drafts, final drafts and final texts should be transmitted to CMC for further processing, using exclusively the Livelink platform e-Trans.

Any drafts, final drafts or final texts delivered by other means after 2004-07-01 will be rejected by CMC. The TC secretary and BT member responsible will be informed.

BT asks CMC to inform all CEN/TC's and ECISS/TCs of this decision.

This resolution is applicable as from: 2004-05-14
