

RESOLUTION BT 44/2001

Subject: Limited lifetime of prENs

BT

- approves the proposal in document BT N 6341 Revision 2 and requests CMC to implement it;
- validates the implementation plan "Limited lifetime of prENs" as given in document BT N 6546;
- Requests that appropriate communication is conveyed about this procedure to CEN/TC chairpersons and Technical Committees;
- thanks DIN for its proposal and hopes that such action will encourage similar constructive proposals.

This Resolution is applicable as from: 2001-11-19
