

## **RESOLUTION BT 59/1998**

**Subject:** Disclaimer clause in prENs

BT, noting the CA decision to include a disclaimer clause in all draft EuropeanStandards,

- decides that the following text shall be included by CEN/CS in any prEN, prHD or prENV submitted after 1999-02-01 to an approval procedure (CEN Enquiry, Formal Vote or UAP):

'Warning

This document is not a European Standard. It is distributed for review and comments. It is subject to change without notice and shall not be referred to as a European Standard.'

- asks AFNOR and DIN to provide CEN/CS with the French and German version of this text by 1998-11-30;
- asks CEN/CS to investigate whether a common approach is possible with CENELEC on this question;

asks CEN/TC's to try to avoid as far as possible making reference to draft standards in the finalization of prEN's at Formal Vote stage.
