

DECISION BT C80/2015

Subject: Observership of European experts in Technical Committees of foreign Partners (NSBs)

BT,

- considering :
 - the possibility for European experts to participate as observers in the Technical Committees of foreign Partners;
 - the recommendation of CEN and CENELEC Policy groups to CEN/BT and CENELEC/BT to agree with the process of approval of European requests for observership in foreign Technical Committees (see Annex 2);
- decides to endorse the proposed process.
