

## **DECISION BT C091/2018**

Subject: Assessment of harmonized Standards at FV stage

BT,

- having noted
  - the current practice to submit projects to the HAS Consultants as follows:
    - prior to Formal Vote when a translation prior to Formal Vote has been requested by AFNOR or DIN;
    - during Formal Vote where no translation prior to Formal Vote has been requested;
  - the recommendation by CEN-CLC/BTWG 12 'Harmonized standards and the European regulatory framework' following its 19<sup>th</sup> meeting on 2018-06-01;
- decided that all drafts of homegrown harmonized standards submitted to CCMC for Formal Vote stage, will be submitted to HAS Consultant assessment and translation, after editing and prior to launching the Formal Vote;
- agreed that this practice will start for drafts submitted to CCMC as 2018-07-04 until a final recommendation of the AHG JWG R&P – including implementation dates - is accepted by BTs.
