

## RESOLUTION BT C127/2010

**Subject:** PROJEX-ONLINE/ Creation of Work item – Recommendation of the CEN IT Group

BT,

considering

- Resolution CEN IT Group 4/2010 'PROJEX-ONLINE/Creation of Work item, in annex to BT N 8523;
- the positive feedback on the Pilot Phase for the testing by TC Secretaries of the application automating the work item creation process from the submission of the work item by the TC Secretary to the update of the database and feedback to the TC Secretary;

agrees to the recommendation of the CEN IT Group to BT for the roll-out to all CEN/TCs as of 2011-04-01, noting that this implies that the creation of all new work items following TC decisions shall be done via this application, overriding the current process of sending a TC resolution to [tcminares@cencenelec.eu](mailto:tcminares@cencenelec.eu).

*This resolution is applicable as from: 2011-01-06*
